New president in Vestas Mediterranean A/S

As per 1 October 2007, I Juan Araluca y Martínez de Azagra will take up the position of President of Vestas Mediterranean A/S and will be substituting Ebbe Funk who has been President of Vestas Mediterranean A/S for 6 years.

I am 44 years old and hold a degree in Economics and Business Administration from the Universidad Complutense of Madrid. Furthermore, I have taken doctorate level courses in Economics at the ICADE in Madrid and have participated in management programmes at the IESE in Barcelona and the Kellogg School in Chicago.

For the last 19 years, I have worked with the BP Group in Spain and Great Britain. In my latest position, I was responsible for BP's gas business in Spain.

Furthermore, I am very pleased to announce that Ebbe Funk has chosen to postpone his retirement and continue his career in Vestas for some more years. Therefore, as from 1 October 2007, Ebbe Funk will take up the responsibility for further developing Vestas' interests in the emerging Latin American and Caribbean markets.

During his presidency, Ebbe Funk has been the key driving force in growing Vestas Mediterranean into one of the largest and most profitable sales business units in Vestas, and we now look forward to benefiting from his efforts in the Latin American and Caribbean markets.

Vestas Mediterranean A/S

Vestas Mediterranean A/S is the Sales and Business Unit that covers all the countries of the Mediterranean region, North, Central and West Africa, the Middle East and Latin America (Central and South America).
