Sale of Vestas Towers factory in Campbeltown, Scotland

In continuation of Vestas Northern Europe's local press release No. 7/2008 of 22 December 2008, it is with great pleasure that we can now announce that a positive future for the Campbeltown plant has been secured. As anticipated, the negotiations between Vestas and Skykon have resulted in a sale of the Vestas Towers factory in Campbeltown.

The takeover will take place 1 April 2009.

Vestas recognises the great efforts and support from all involved parties including local politicians, SDI/HIE, Unite and the employees at the plant in Campbeltown.
