Rumours in the market regarding a wind farm project in Mexico

Today there are rumours in the market regarding a wind farm project in Mexico of almost 400 MW.

Vestas can confirm that negotiations between the consortium behind the project and Vestas are ongoing, but Vestas has not yet received a firm and unconditional order for the project. If the negotiations between the consortium and Vestas will result in a firm and unconditional order, Vestas will make a company announcement immediately thereafter.

Vestas discloses this announcement based on Vestas' obligation as a Danish listed company.
