

# Vestas Quality, Health, Safety and Environmental **Policy**

We deliver best-in-class wind energy solutions and set the pace in our industry to the benefit of our customers and our planet. We operate a certified integrated management system to manage risk and drive continuous improvement of business performance through innovation, benchmarking, and learning from experience.

We satisfy applicable legal and voluntary requirements and ensure transparency in our Quality, Environmental, Health and Safety performance through disclosure of the annual external statement available at [Vestas.com](http://Vestas.com)

We will live up to our policy by:

## Health and Safety:

- Preventing injury and work related illness through management commitment.
- Demonstrating Safety First by considering health and safety in developing, planning, and execution of our operations, products and services.
- Meeting or exceeding our Health and Safety standards by engaging employees, contractors, suppliers, and other stakeholders.
- Ensuring Safety is a prerequisite of doing business at and with Vestas.

## Quality:

- Adherence to processes, specifications and procedures in order to achieve Customer Satisfaction.
- Preventing defects through proactive quality assurance and fact-based continuous improvements.
- Reducing risk and associated cost of poor quality by focusing on quality across the value chain.
- Ensuring a life cycle approach to our products and services by focusing on levelized Cost of Energy.

## Environment:

- Demonstrating commitment to preventing pollution and protecting the environment in everything we do.
- Demonstrating environmental vigilance by having a life cycle approach in developing, planning, and execution of our operations, products, and services.
- Meeting or exceeding our environmental standards by engaging employees, contractors, suppliers and other stakeholders.
