

News release from Vestas China

Beijing, 11 August

Vestas wins 150 MW order in China

Vestas has received a 150 MW order in China that includes the supply of 53 V120-2.2 MW in 2.4 MW Power Optimised Mode and seven V155-3.3 MW turbines as well as a 5-year Active Output Management 4000 (AOM 4000) service agreement.

Deliveries are expected to begin in the third quarter of 2020, with commissioning planned for the same quarter.

Customer's name and project's name are undisclosed under customer's request.
